**Subject:** Application for a Driving Job

Dear Hiring Manager,

I am writing to express my interest in the driving position at Kirehe District. With eight months of experience as a driver at Rebero Driving, I have gained valuable skills in safe transportation, vehicle maintenance, and customer service. I am confident that my experience and dedication make me a strong candidate for this role.

In addition to my driving experience, I have a strong educational background. I completed my high school studies in **Software Development (SOD)** and earned an **A2 diploma**. My studies have equipped me with problem-solving skills, attention to detail, and the ability to work with technology—qualities that also contribute to being a responsible and efficient driver.

During my time at Rebero Driving, I developed a deep understanding of road safety regulations and efficient route planning. I am a responsible and reliable

driver, committed to ensuring timely and secure transportation. I also possess a valid driver's license and have a good knowledge of the roads within the district.

I would appreciate the opportunity to discuss how my skills and experience align with the needs of your team. I am available for an interview at your convenience and can be reached at **+250780973270** or **pacifiquemanirakiza3@gmail.com**.
